SUBJECT: KUDOS TO EMBASSY AMMAN

Steve,

It was good seeing you and GOJ officials on June 14. Your outstanding mission has exceeded our expectations again. Thank you, and thanks to your all star team, for ensuring my visit was as efficient and productive as possible. I especially would like to thank my control officer (and fellow Embassy Beirut graduate!) Jackie Ward, Press Attache Maria Olson, and your entire GSO and RSO sections. I know they reflect the quality and the depth of the entire mission, so again I would like to reiterate my thanks for a job well done by all.

Embassy Amman time and again sets the highest standard in NEA. I continue to be impressed with your ability to support a daunting number of visits like mine, and the many congressional and other delegations who visit, while maintaining such a high level of engagement with the GOJ on our highest priority issues.

Thanks again to the entire mission for a job well done. Best,

Jeff
